All times are Eastern Standard Time. Please adjust the schedule to your time zone.

ZOOM LINK

- If you are **new to Zoom**, please see the Zoom Tips at the end of this letter.
- If you are an **existing Zoom user**, it is important that you have the most recently updated version of the Zoom application on your device or you will not be able to enter the Zoom room. The latest version is available here: <https://zoom.us/download>.
- **The Zoom platform will open 30 minutes prior to each day's start time.** Please join the session a minimum of 5-10 minutes *before* its start time so that we don't overload the servers.

If you experience technical difficulties

- During the session, communicate with the Zoom host by using the Chat function at the bottom of the screen.
- Outside of the sessions, you can contact wonderwell.tech@gmail.com. We will check that email as often as possible.
- In the event of a Zoom crash or an internet or power problem, the Zoom host and retreat staff will have your contact information and will be in touch by email or phone to let you know how to proceed.

USER ACCOUNTS

With the launch of our [new website](#), an exciting feature is now available to you: an **individual User Account with a personalized dashboard** where the resources from all of your retreats are available in one, convenient location. For example, the Zoom link for a retreat will be stored in your user account so you can locate it easily. After the retreat, you'll find the link to recordings (once they are edited), as well as any other resources the teacher might have provided during the retreat.

Important Next Step!

All program resources will be available to you **only** in your user account. As a result, it is an **important next step for you to create a user account if you do not already have one.**

Please [visit this page to create your account](#). It contains instructions and a tutorial for creating your account.

We will be syncing your user account with the retreat 48 hours prior to its start. If the teacher has made available any pre-retreat materials, they will be available in your user account at this time. **You must have an account set up 48 hours prior to the start to have access to pre-retreat materials.** Please be aware that this syncing does not happen automatically. There is a real, live person who needs time to do this work.

If you register less than 48 hours before a retreat, we cannot guarantee you will have access to your account when the program begins. In that case, your account will be synced 24 to 48 hours after the program has finished.

Post-retreat materials and recordings will be available 7 to 10 days after the conclusion of the event. All resources and materials will remain indefinitely in your user account.

Accessing your user account

Access to your user account begins on the [homepage](#) of our website. In the upper right corner, you'll see one of two things that indicate whether you are logged in or not...

- You are logged IN if you see "My Dashboard" and "Log Out" links in the upper right corner.
- You are logged OUT if you see "Create an Account" and "Log In" links in the upper right corner.

From there, you can take the appropriate action for accessing your dashboard.

You may contact support@naturaldharma.org with questions about your user account.

Recordings

The retreat will be recorded and the recordings posted in your User Account. We have a wonderful volunteer editor who prepares the recordings for distribution. We can't guarantee exactly when the files will be available, but they'll be posted as soon as we can prepare them. We're grateful for your patience!

Calling on Your Generosity

In Buddhist traditions, generosity is a key principle cultivated on the path to awakening. Out of gratitude for teachers and their kind instruction, students may offer financial support to them or to the retreat center that works to continue the propagation of the

Dharma. If you feel moved to express your gratitude in this way, we warmly invite you to do so by visiting our [donation page](#). **Using the Retreat Donation tab, please enter the name of the retreat and Lama Willa's name in the top box, and your donation amount in the NDF Lama's box and any of the other boxes below.**

If you have any questions about the above retreat information, please contact the registrar at retreats@wonderwellrefuge.org.

- You *must* download the Zoom App, but you do *not* need to sign up for a Zoom account to participate in the retreat.
- If the Zoom link does not work directly, you can copy and paste it into your web browser.
- **Please test the Zoom link** soon after you receive it to avoid last-minute connection issues when there may be no one available to assist you.
- The best possible conditions for wi-fi will create the best experience for your Zoom meeting. If necessary, you can set up your retreat space close to your router or with a direct ethernet connection to your computer.
- It would be wise for you to download the Zoom app to your phone or tablet if you have that option available, and forward the Zoom meeting link and password to that second device. That way, you can easily switch devices if necessary.

Zoom has a large library of videos and instructions on how to use various aspects of the site. Here is the link to their support information: <https://support.zoom.us/hc/en-us/categories/200101697-Getting-Started>
